Consumer Mobile Deposit Capture Terms & Conditions

Description:

The remote deposit capture services ("Mobile Deposit" or "Services") are designed to allow you to make deposits to your checking, money market checking or savings accounts from your camera-enabled mobile device capable of capturing check images and information and electronically delivering the items and associated deposit information to the Bank or the Bank's designated processor. The device must capture an image of the front and back of each check to be deposited in accordance with the Procedures; must read and capture the magnetic ink character recognition ("MICR") line on each check; and must read and capture all such other data and information as is required by this Agreement or Federal Reserve regulations for the processing of these checks for payment. The

Bank offers the benefits and convenience of the Services to you free. The Bank reserves the right to charge fees for the Services in the future.

Hardware and Software requirements:

You must have a Mobile Device that is acceptable to us and a wireless plan from a compatible mobile wireless provider. High Plains Bank is not responsible for any third party software you may need to use the Services. For I-Phones you will go to the Apple Store for the High Plains Bank application and for Android Phones you will go to the Google Play Store for the application.

Deposit Limits:

The Bank reserves the right to establish and assign to you deposit limits for the Service (including limits on the dollar amount and/or number of Checks that you may transmit through the Service each day) and to modify such limits from time to time in the Bank's sole discretion, and you agree to comply with all such limits. Our current daily deposit limit is \$5,000 per day. This limit may be altered to fit your needs upon approval by management.

Fees and Charges:

The Bank offers the benefits and convenience of the Services to you free. The Bank reserves the right to charge fees for the Services in the future.

Endorsements and Procedures:

You agree to restrictively endorse any item transmitted through the Services as "FOR MOBILE DEPOSIT ONLY, High Plains Bank account #____" or as otherwise instructed by the Bank. You agree to follow any and all other procedures and instructions for use of the Services as the Bank may establish from time to time. Endorsements must be made on the back of the share draft or check within 1½ inches from the top edge, although we may accept endorsements outside this space. Any loss we incur from a delay or processing error resulting from an irregular endorsement or other markings by you will be your responsibility. For a check payable to you and any joint owner(s) of your Bank account, the check must be endorsed by all such payees and you may only use Mobile Deposit to deposit such check into a Bank account jointly owned by all such payees. If the check is payable to you or your joint owner, either of you can endorse it. If the check is made payable to you and any non-joint owner, you

may not deposit the check into your Bank account using the Services. You agree that you will not use the Services to deposit any checks or other items as shown below:

- a. Checks or items payable to any person or entity other than you or a joint account holder.
- b. Checks or items containing obvious alteration to any of the fields on the front of the check or item, or which you know or suspect, or should know or suspect, are fraudulent or otherwise not authorized by the owner of the account on which the check or item is drawn.
- c. Checks or items drawn on a financial institution located outside the United States.
- d. Checks or items not payable in United States currency.
- e. Checks or items dated more than 6 months prior to the date of deposit.
- f. Checks or items drawn or otherwise issued by you or any other joint account holder from another depository unless previously approved by an officer of the bank and noted on the front of the check.

Check requirements (including image quality):

The image of an item transmitted to the Bank using the Services must be legible and contain images of the front and back of the Check. The image quality of the items must comply with the requirements established from time to time by the American National Standards Institute ("ANSI"), the Board of Governors of the Federal Reserve Board, or any other regulatory agency, clearing house or association. These requirements include, but are not limited to, ensuring the following information can clearly be read and understood by sight review of the Check image: the amount of the Check (both written and numeric); the payee; the signature of the drawer (maker); the date; the Check number; the information identifying the drawer and the paying financial institution that is preprinted on the Check including the MICR line; and all other information placed on the Check prior to the time of an image of the Check is captured (such as any required identification written on the front of the Check and any endorsements applied to the back of the Check).

Rejection of deposits:

After we receive Check images and all other required deposit information from you through the Service, we shall provisionally credit your designated account for the total amount of such Checks. The provisional credit is subject to final payment of the Checks and is also subject to your Bank Account Agreement. You agree that all deposits received by us are subject to verification and final inspection and may be rejected by us in our sole discretion, and you shall be liable to the Bank for any errors, inaccuracies, breach of warranties and any other loss sustained by, or claim made against the Bank relating to such deposits. The Bank is not liable for any service or late charges that may be imposed against you due to the Bank's rejection of any Check that you transmit for deposit through the Service. In all cases, you are responsible for any loss or overdraft plus any applicable fees to your account due to a Check being returned. You acknowledge and agree that, while we normally provide notice of rejected deposits, we may reject any Check transmitted through the Service in our sole discretion without notice to you, and we will not be liable for any such rejection or failure to notify you of such rejection. If we reject a Check for remote deposit, you must physically deposit the original Check.

Unpaid checks:

Should you fail to produce the original check, you authorize us to deduct that amount from your account. You are solely responsible for verifying that Checks that you deposit by using the Service have been received and accepted for deposit by the Bank. The Bank will provide you with notice of any deposits that it is unable to process because Checks were returned unpaid by the payor financial institution. You agree to accept such notices at your e-mail address on file with us, but we may choose any reasonable method for providing such notices to you. In the event that the Bank credits your account for a Check that is subsequently dishonored and returned, you authorize the Bank to debit the amount of such Check plus any associated fees from the account. To the extent that funds in your account are insufficient to cover such amount, we shall debit the deficiency amount from any of your other account(s) with the Bank in our sole discretion. Our right to charge your account(s) will apply without regard to whether the Check was timely returned or whether there is any other claim or defense that the Check was improperly returned. You understand and agree, that since the original Check is your property, it will not be returned and the Bank may charge back an image of the Check, an ACH debit, or other electronic or paper debit, as applicable, to your account. You further agree that any image that we charge back may be in the form of an electronic or paper reproduction of the original Check or a substitute check. You may not use the Service to deposit a substitute check and you may not deposit the original Check through the Service or in any other manner if you receive a dishonored Check. You agree to comply with any additional instructions we may provide to you in connection with returned Checks.

Duty to report errors:

The Bank will provide you with periodic statements that will identify the deposits that you make through the Service. In addition, you may access the Bank's Online Banking service for information about your deposits, return items, deposit adjustments, Checks and other transactions on your accounts. You agree that it is your responsibility to review all such information that the Bank makes available to you in a timely manner to verify that deposits made through the Service have been received and accepted by the Bank and are accurate. Receipt of a Check by the Bank through the Service does not constitute an acknowledgement by the Bank that the Check is error-free or that we will be liable for the Check. You agree to notify us promptly of any errors, omissions, or discrepancies in a deposit within the time periods established in your Bank Account Agreement. You may notify us by e-mailing us at (email address), or writing to (Bank physical address) or telephoning us at (###-###-####). You agree to cooperate in any investigation by the Bank of any unsuccessful or lost transmission. Subject to applicable law, any failure by you to notify the Bank of any error, omission or other discrepancy in accordance with this Agreement and your Bank Account Agreement shall relieve the Bank of any liability for such error, omission or discrepancy.

Availability of service/Contingency:

In the event you are unable to capture, balance, process, produce or transmit a file to the Bank, or otherwise comply with the terms or the Procedures for any reason, including but not limited to, communications, equipment or software outages, interruptions or failures, you will transport or mail the originals of all checks to the closest Bank location. The deposit of original checks at an office of the Bank shall be governed by the terms and conditions of the Deposit Account Agreement and not by the terms of this Agreement.

Storage, security and destruction/disposal of the checks:

After you receive confirmation that we have received an image, you must securely store the original Check for 14 days after transmission to us and make the original Check accessible to us at our request. Upon our request from time to time, you will deliver to us within two Business Days, at your expense, the requested original Check in your possession. If not provided in a timely manner, such amount will be reversed from your account. Promptly after the 14-day retention period expires, you must destroy the original Check by first marking it "VOID" and then destroying it by cross-cut shredding or another commercially acceptable means of destruction. After destruction of the original Check, the image will be the sole evidence of the original Check. You agree that you will never represent the original Check. You understand that you are responsible if anyone is asked to make a payment based on an original check that has already been paid.

Presenting checks more than once:

Once you have used the Service to deposit a Check you agree not to present, or allow anyone else to present, that original Check or a substitute check of that original Check again for deposit through the Service or by any other means. If you or anyone else present a Check or substitute check for deposit more than once, in violation of this Agreement, you agree to indemnify, defend and hold the Bank harmless from and against all liability and damages that may result from any claims, suits or demands from third parties with respect to such Check or substitute check. You agree that we may debit from your Bank account the aggregate amount of any Checks that that are deposited more than once. To the extent that funds in your account are insufficient to cover such amount, we shall debit the deficiency amount from any other of your account(s) with the Bank in our sole discretion.
